*Either a hot chocolate with coffee, or a cappuccino with chocolate; good whichever way you look at it.*

*£1.75*

### ***Übercoffee:***

*A short, sharp hit: a double espresso, mixed with dark chocolate and cinnamon syrup. Very strong!*

*£1.65*

### ***Filter coffee:***

*The simple stuff, nothing added, nothing taken away....*

*£1.00*

***Qualified Quality.***

# Tea

## **English Breakfast:**

*Always the favourite and the British staple: normal black tea.* £1.00

## **Peppermint:**

*By which we mean, REAL minty leaves, refreshing and completely caffeine free.* £1.20

## **Superfruits**

*Packed full of whole berries, including blueberries and cranberries for a great, purple, anti-oxidant boost.* £1.20

## **Chilli Chai**

*Not as fiery as it sounds, just black tea, gorgeously aromatic cardamom, cinnamon, ginger and vanilla, with a pleasantly warming kick at the end!* £1.40

## **Yerba Mate – (pronounced Mat –tay).**

*A herbal blend from Peru, used as a remedy for everything from heartbreak to altitude sickness, and also guzzled with great glee. Smoky, strong tasting and gives you a noticeable energy boost with no caffeine.* £1.40

# Sweet things

## **Hot Chocolate**

*Rich, creamy and made using Nicaraguan organic dark chocolate.* £1.65

## **Cinnamon Steamer**

*Warming, spicy cinnamon syrup topped up with steamed milk.* £1.50

**Qualified Quality.**
